Docket No. CP2011-51

**USPS NOTICE OF FILING FINANCIAL INPUTS FOR
PRIORITY MAIL—NON-PUBLISHED RATES
SERIAL NUMBER ENDING: 0630, 0632-0633, 0635-0637, AND 0639
(November 25, 2019)**

The United States Postal Service hereby gives notice of filing the inputs used to generate customer-specific pricing for the Priority Mail—Non-Published Rates (PMNPR) customer agreements, with serial numbers ending in 0630, 0632, 0633, 0635, 0636, 0637, and 0639. The Postal Service intended to file the financial inputs worksheet along with its notice for these agreements that was filed on Friday, November 22, but the Postal Service discovered some errors in the Excel file that needed to be corrected. The corrected version of the inputs worksheet was not available until after the Commission's 4:30pm filing deadline on Friday.

Accordingly, the unredacted version of the inputs worksheet is being filed today with the Commission under seal. The redacted version of the inputs worksheet is being filed publicly along with this notice. The Postal Service herein incorporates by reference the application for non-public treatment that was filed in conjunction with the Postal Service's December 17, 2010 Request filing in this docket, for the protection of the materials that the Postal Service is today filing under seal.

Respectfully submitted,

UNITED STATES POSTAL SERVICE

By its attorney:
